The Rev. Christoph Gerhard, OSB, will present a retreat titled *Astronomy and the Question for God* at Saint Benedict Center, four miles north of Schuyler, on April 5 - 6, 2025.

As a life-bearing "spaceship," our Earth is a unique spot in the universe. Astronomy explores stars, planets, and distant galaxies in search of life. For many of us, looking through a telescope into the "infinite" cosmos inevitably raises the question of a creator. But is there even a place for God in the universe? Do science and faith not contradict each other?

Five Steps to a Vibrant Christian Spirituality, March 22 - 23, retreat at Saint Benedict Center, Schuyler, with Father Tom Hillenbrand, OSB, STL. This retreat is based on the Rule of Benedict. It offers an overview of the Rule and the values we can draw from it for living out our life as disciples of Jesus. The main focus will be on friendship with Jesus and how to live in peace with others. Saturday, 9:30 a.m. to Sunday after lunch. Register now by clicking the button below or call (402) 352-8819.

### Vocations

Think about how much time we spend on social media—hours each day scrolling and posting. Now imagine devoting those hours instead to prayer and

intercession for others. 🙏 A sister in consecrated life spends over 25,000 hours in her lifetime praying for those who are suffering—a profound reminder of what truly matters. What if we paused, even for a moment, to follow her example? Let's honor and support the gift of consecrated life, the brides of Christ. 💙

If you or someone you know is in need of guidance and support for marital help or marriage preparation or is considering a vocation to the priesthood or consecrated life, contact Father Boyd or email: [vocations@archomaha.org](mailto:vocations@archomaha.org).
