

November 14, 2020

Dear parishioners,

I am sorry to inform you that I tested positive for Covid on Friday. I will be in quarantine for two weeks. Due to the kindness of retired priests Father Dan Soltys and Father Norm Hunke, we will have our regular Mass schedule this weekend. I am hopeful that we will be able to maintain our regular Mass schedule over the next two weeks. So far, my symptoms are not severe, just some throat congestion, achy bones and fatigue. I am hopeful that this will not become severe. Please keep me in your prayers. I will continue to pray for all of you, the parishioners, as I offer my suffering for that intention.

Father Harry Buse
